

Project Tender

Project: Project STORM
Client: Linda Marshall

Team: Team Name
Renaldo van Dyk (12204359)
Johann Dian Marx (12105202)
Sean Thomas Hill (12221458)
Andreas du Preez (12207871)
Shaun Meintjes (13310896)
Department of Computer Science, University of Pretoria

Date: May 2015

1 The Team

1. Renaldo van Dyk (12204359)

- Interests
I'm a lover of technology in general and fortunate enough to pertain to it's value. I love knowing that every page of code that I write will help improve someone in their day-to-day life. I mostly favour web and mobile app development and I'm also intruiged by security and privacy aspects of information technology.
